

THE BEST LEVEL ON EARTH

Ergonomic wall-grip handles

Air-cushioned shockproof end caps

Magnified vial with illumination

Plumb Site® Dual-View™ vial

The Zeus™ 990 is the toughest level in the world.

Its **Computer Optimized Profile** allows it to retain its original, unrivalled strength better than any level on the market, and it comes with all of the features professional contractors actually need: two patented **Plumb Site® Dual-View™** vials, with the unique front view of the plumb vial, a **magnified horizontal vial** with optional illumination, **air-cushioned shockproof end caps**, **air-cushioned wall-grip handles**, and **"wipe-clean" Keflon™ anti-stick coating**. It really is the best level on earth.
